

Melodic Study:  
JESU JOY OF MAN'S DESIRING

# Special Full Length Guitar Arrangement

To play this arrangement, you need to be a good reader, as there is no TAB. Although this is not a course in sight reading (which I have at [GUITARU.com](http://GUITARU.com)) this is excellent sight reading material and a good opportunity to pick up your reading game a notch.

This arrangement is able to be played as a solo finger picking piece or as duet with another guitar (as I did in the brief recorded excerpt found in the main lesson). Or as a duet with your friend or teacher plkaying the low part, the bass part which I have made blue for ease of reading.
